Site: Hattenheimer Wisselbrunnen

vinification: Der Ausbau erfolgt zu 100 % in bis zu 60 Jahre alten Holzfässern und mit langem Feinhefelager (bis Mitte Juni). Selektive Handlese.

Description:

The nose recalls the herbal and fruity notes typical of the Wisselbrunnen site. The palate is dominated by enormous concentration, complexity and fine minerality. An exciting interplay between fruit and spice!

The Wisselbrunnen is located between Hattenheim and Erbach. Along with the Erbacher Marcobrunn and the Hattenheimer Nussbrunnen, the site is one of the three famous well sites in the Rheingau and is thus considered one of the most famous vineyards in Germany. Wisselbrunnen faces south-southwest, which provides optimal sun exposure. The light, tertiary marl soils have good water-holding capacity, allowing the grapes to reach a high level of ripeness even in very dry years.

Serving suggestions:

8°C, excellent to combine with dark sauces and strong dishes.

Alcohol content: 13%
