Description:

Aromas of nectarine and orange with a radiant power and substance make our 2022 CHARTA a Riesling with enormous aging potential.

Modeled after the famous Rheingau Rieslings of the past centuries, our CHARTA Riesling is traditionally vinified in piece barrels and carries the nonchalance of great Rieslings. A Riesling vinified for eternity.

„Next generation“

This year's artist label is dedicated to the next Spreitzer generation. The image "Next generation" symbolizes that our children are taking big steps to become independent and go their own ways. This year, two of our sons celebrated their 18th birthday and Joshua Spreitzer, who is already working in the company, became fully capable at the age of 21. A decisive step towards the future for our children and a moving moment for us as parents, who look back on the years of childhood with many fond memories.

Serving suggestion: 8°C, Our CHARTA wine combines perfectly with Asian and spicy dishes.
